GENERAL ASSIGNMENT

This Assignment is made as of the 26th day of January 2005, by XPORTA, Inc., a California Corporation with offices at 275 Saratoga Avenue, Santa Clara, California 95050, hereinafter referred to as "Assignor", to Sherwood Partners, Inc., hereinafter referred to as "Assignee".

WITNESSETH: That Assignor, for and in consideration of the covenants and agreements to be performed by Assignee, as hereinafter contained, and for good and valuable consideration, receipt whereof is hereby acknowledged, does hereby grant, bargain, sell, assign, convey and transfer to Assignee, its successors and assigns, in trust, for the benefit of Assignor's creditors generally, all of the property of Assignor of every kind and nature and wheresoever situated, both real and personal, and any interest or equity therein not exempt from execution, including, but not limited to, all that certain stock of merchandise, equipment, furniture, fixtures, accounts, books, cash on hand, cash in bank, deposits, patents; copyrights, trademarks and trade names and all associated goodwill, source codes, software, and related documentation, insurance policies, and choses in action that are legally assignable, together with the proceeds of any existing non-assignable choses in action that may hereafter be recovered or received by Assignor. Assignor agrees to execute such additional documents as shall be necessary to accomplish the purposes of this Assignment.

This Assignment specifically includes and covers all claims for refund or abatement of all excess taxes heretofore or hereafter assessed against or collected from Assignor by the U.S. Treasury Department or any other taxing agency, and Assignor agrees to sign and execute power of attorney or such other documents as required to enable Assignee to file and prosecute, compromise and/or settle, all such claims before the Internal Revenue Service, U.S. Treasury Department or any other taxing or other Governmental agency.

Assignee is to receive said property, conduct said business, should it deem it proper, and is hereby authorized at any time after the signing hereof by Assignor to sell and dispose of said property upon such time and terms as it may see fit, and is to pay to creditors of Assignor pro rata, the net proceeds arising from the conducting of said business and sale and disposal of said property, after deducting all moneys which Assignee may at its option pay for the discharge of any lien on any of said property and any indebtedness which under the law is entitled to priority of payment, and all expenses, including a reasonable fee to Assignee and its attorneys.

Assignee is also authorized and empowered to appoint and compensate such agents, field representatives and/or attorneys and/or accountants as it may deem necessary, and such agents and/or field representatives shall have full power and authority to open bank accounts in the name of Assignee or its nominees or agents and to deposit assigned assets or the proceeds thereof in such bank accounts and to draw checks thereon and with the further power and authority to do such other acts and to execute such papers and documents in connection with this Assignment as Assignee may consider necessary or advisable.

Assignor acknowledges that certain of the assets being assigned under this General Assignment may be subject to restrictions on the use or transfer of such assets, the unauthorized use or transfer of which may result in further damages or claims. Such assets may include, without limitation, intellectual property rights of the Assignor (e.g., trade names, service names, registered and unregistered trademarks and service marks and logos; internet domain names; patents, patent rights and applications therefor, copyrights and registrations and applications therefor; software and source code (and software licenses with respect thereto); customer lists and customer information; know-how, trade secrets, inventions, discoveries, concepts, ideas, methods, processes, designs, formulae, technical data, drawings, specifications, data bases and other proprietary assets (collectively, "Intellectual Property")). Assignor represents and warrants that its officers, directors, shareholders, employees, agents, customers and other third parties have been advised not to use, remove or cause a transfer (other than pursuant to this General Assignment) of any of the assets of Assignor, including without limitation the Intellectual Property, either prior or subsequent to this General Assignment, except as expressly authorized in writing in advance, which written authorization is not inconsistent with or otherwise may constitute a breach of any other written agreement. Except as authorized in writing, which has been disclosed in writing to Assignee, Assignor further represents and warrants that no asset (including, without limitation, the Intellectual Property) has been transferred, used, or removed, in whole or in part, in a manner that interferes with the rights and interests of a third party(ies) in such asset or otherwise may constitute a breach of any contract with such third party(ies).

Assignor authorizes the forwarding of its mail by the U.S. Postal Service as directed by Assignee.

AUG 07 2006

IP ASSIGNMENT AGREEMENT

THIS IP ASSIGNMENT AGREEMENT (the "*Agreement*") is made as of February 3, 2005 (the "*Closing Date*") by and between Sherwood Partners, Inc., a California corporation, in its sole and limited capacity as Assignee for the Benefit of Creditors ("*Seller*") of the Company (as defined below), on the one hand, and UPS Supply Chain Solutions, Inc., a Delaware corporation ("*UPS*" or "*Buyer*"), on the other hand.

RECITALS

WHEREAS, by resolution of each of the board of directors of Xporta, Inc., a California corporation (the "*Company*"), as memorialized in the duly executed minutes of the Company, the Company (the "*Assignor*") transferred ownership of all its right, title and interest in and to substantially all of its tangible and intangible assets to Seller and in so doing has also designated Seller to act, pursuant to California law, as the Assignee for the Benefit of Creditors of Assignor;

WHEREAS, Seller and Buyer have entered into an Asset Purchase Agreement dated as of the Closing Date (the "*Purchase Agreement*"). Capitalized terms used in this Agreement and not otherwise defined in this Agreement shall have the meanings ascribed to them in the Purchase Agreement; and

WHEREAS, pursuant to the Purchase Agreement, Seller wishes to assign all of Seller's right, title and interest in and to the Intellectual Property contained in the Purchased Assets including, but not limited to, the Xporta Software, Documentation and other Intellectual Property identified on Exhibit A attached hereto (collectively, the "*Assigned Rights*"), to Buyer, and Buyer wishes to accept such assignment, on the terms and conditions set forth herein and in the Purchase Agreement.

AGREEMENT

NOW, THEREFORE, for and in consideration of the foregoing and of the mutual promises and covenants contained herein, the receipt and sufficiency of which are hereby acknowledged, the parties, agreeing to be legally bound, agree as follows:

1. **Assignment of Assigned Rights.** Seller does hereby grant, bargain, transfer, sell, assign and convey to Buyer, subject to the provisions of the Purchase Agreement, all of Seller's right, title and interest, if any, in and to the Assigned Rights, and all goodwill of the business represented thereby, and Buyer does hereby accept such assignment, all on, and subject to, the terms and conditions as set forth herein and in the Purchase Agreement. The foregoing assignment, subject to the terms and conditions contained in the Purchase Agreement, includes, but is not limited to, (a) all improvements and inventions disclosed in the Assigned Rights throughout the world, and, for any patents therein, all divisions, reexaminations, reissues, substitutions, continuations, continuations-in-part and extensions thereof, including the right to file applications and obtain patents, utility models, industrial models and designs for said inventions and improvements in Buyer's own name throughout the world including all rights of priority,

all rights to publish cautionary notices reserving ownership of said inventions and all rights to register said inventions in appropriate registries; (b) all worldwide copyrights contained in the Assigned Rights; (c) all goodwill contained in the Assigned Rights; and (d) Seller's right to sue for and remedies against past, present and future infringements of any or all of the foregoing and rights of priority and protection of interests therein under the laws of any jurisdiction worldwide. Notwithstanding any provision in this Agreement, nothing contained herein is intended to provide Buyer with intellectual property rights that are in any way greater than those that Buyer is to acquire pursuant to the Purchase Agreement.

2. **Rights Conferred.** Nothing contained in this Agreement is intended to provide any right or remedy to any person or entity, other than to Buyer.

3. **Purchase Agreement.** This Agreement shall not be deemed to supersede or modify any of the provisions of the Purchase Agreement, and the representations and warranties contained in the Purchase Agreement are incorporated by reference herein and made a part hereof as if fully set forth herein. In the event of any conflict between this Agreement and the provisions of the Purchase Agreement, the provisions of the Purchase Agreement shall prevail.

4. **Successors and Assigns.** This Agreement shall be binding on and inure to the benefit of the parties hereto and their respective successors and permitted assigns.

5. **Choice of Law.** This Agreement shall be construed in accordance with, and governed in all respects by, the internal laws of the State of California without reference to conflict of laws principles.

6. **Notices.** All notices or other communications given under this Agreement shall be given in accordance with Section 11.2 of the Purchase Agreement.

7. **Counterparts.** This Agreement may be signed in one or more counterparts, each of which shall be deemed an original and together which shall constitute one and the same instrument.
